

Need money to promote school physical activity?

Schools on the Move Grant Applications now available!

Up to \$5,000 each for up to ten schools!

West Virginia on the Move (WVOM) is pleased to announce another year of the WVOM – Schools on the Move Grant Program. This grant opportunity will award up to ten Pre K-12 public or private schools up to \$5,000 each. The grants are designed to support local initiatives that promote comprehensive approaches to school physical activity.

To be considered, schools must plan to implement an intervention that will enhance physical activity opportunities for students, staff, and families during the 2010-2011 school year.
